

Art in Motion. From Monet to Klimt

For the first time the multimedia art exhibition “FROM MONET TO KLIMT” takes place in Tallinn. The exhibition gives the visitor a completely new look of the creative world of the most impressive artists of the last centuries.

Masterpieces by van Gogh, Monet and Klimt are projected on all available space in the exhibition hall and offer the visitor a fascinating spectacle.

The up to five meter high and animated projections reveal every single brush stroke on the screen, the intense coloring of the paintings makes the entire exhibition space come alive!

26 students of Hiiumaa Gymnasium visited the exhibition on the 19th of October 2017.

The digital art exhibition From Monet to Klimt was very interesting I have never seen anything like this. It was my best experience. When watching the exhibition I had a feeling that I myself was a part of art.

The opinions of the 10th form students.
