

SHARING EXPERIENCE

35 headmasters and the directors of studies from the Tartu region visited the schools in Hiiumaa. In Hiiumaa Gymnasium Maris Nõmmik-Kärtner and Milvi Tikka made a presentation about the international and the local projects in our school between the years 2000 to 2017. We also introduced the ERASMUS+ project "Understanding and Critical Media Literacy". Our school has a good cooperation with Hiiumaa Museum.
